

Enhancement Support Guidelines

Overview

Current Mosaic Network & Fund grantees are eligible for a \$25,000 supplementary grant for enhancement support. This is intended to help grantees engage a consultant, peer group, or mentor for coaching and technical assistance to address specific areas of organizational need, such as board development; marketing/communications; strategic, financial, or partnership planning; and fundraising. Enhancement support funds will be paid in February 2021 and may be used over a one- or two-year period.
